Dear Debbie:

Every now and then we have the opportunity to acknowledge outstanding performance by someone who has offered services to our organization.

After involvement with two prior moves of the headquarters of the BMWED-IBT, we can say without hesitation that your team, and especially Randy, were outstanding and provided a smooth and painless physical move for all our employees.

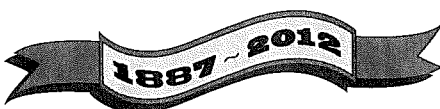

Debbie, on behalf of all our staff and employees, we want to thank you for doing such a great job. Please feel free to use us as a reference going forward.

Sincerely,
